

Reunion Rescue Adoption Contract

We have adopted a Reunion Rescue pit bull from Reunion Rescue. We understand that this breed needs strong guidance and agree to keep up with his/her obedience training and contact Reunion Rescue with any problems we might need help with.

Our dog will live inside as a member of the family and we will be very careful with him/her in public areas to avoid theft of this animal. We agree to use gentle training devices and only resort to more strict forms of training under the direction of an approved dog trainer only after all gentle positive forms of training have been attempted and tried and have not worked.

We promise to be an attentive and responsible pit bull guardian and always supervise our dog in public areas, dog parks, as well as in our own home and when he/she is around other dogs, cats, animals and children. We promise to keep up with his/her medical and health requirements. We highly recommend you feed a raw diet. Please visit the Reunion Rescue website and read the Nutrition Page and linked information as well.

When our pet needs a vaccination, we agree to contact Reunion Rescue for detox to remove all toxins and harmful metals injected through vaccine. This information is located on the Detox Protocol document on the Nutrition Page.

With a raw diet, your pet should never need harmful preventative medications like flea or heartworm preventative. Should any major medical situation arise or behavioral issue, we will immediately contact Reunion Rescue for advice. Reunion Rescue is always here to help you with any issue. That's our promise.

We will always try to keep our dog with us and should we move to another area, will contact Reunion Rescue with a forwarding address. Should for any reason, we be forced to relinquish our dog, we promise to contact Reunion Rescue and allow Reunion Rescue to adopt our dog. We will not attempt to rehome this dog without the help of Reunion Rescue. We promise to always take care of our dog and be as responsible a citizen as we are asking him/her to be. We release Reunion Rescue from any liability in connection with our adopted animal.

In the event of litigation relating to the subject matter of this agreement, the prevailing party shall be entitled to receive from the other party its reasonable attorneys' fees and costs.

Thank you so much for joining the Reunion Rescue family and for saving this wonderful dog's life.

Adopter

Cindy Marabito, Reunion Rescue
